

## YOUR GIFT TO TASMANIA

The Queen Victoria Museum and Art Gallery (QVMAG) tells stories about who we are, our town, our environment, our region, our state, our country, and our place in the world. Our aim is to acquire artworks by artists whose works tell us about our Tasmanian heritage—past, present and future. This can be done only with the assistance and generosity of the people of Launceston and the wider region, and its many visitors from further afield.

The Masterpieces for Tasmania Fund is an annual appeal that gives everyone the opportunity to help QVMAG acquire a masterpiece for the QVMAG collection. In this way Tasmanians from all corners of the State have the chance to have a permanent, immediate and important impact on the development of an art collection of national significance.

The third painting of the Masterpieces for Tasmania Fund is Ben Quilty's *Development Application (John Glover)* 2018.

Please help us to continue to build a world-class collection of works of Australia's finest artists and continue the QVMAG tradition of collecting excellence.

# MASTERPIECES FOR TASMANIA FUND

“ ——— ”

My work is about working out how to live in this world, it's about compassion and empathy but also anger and resistance. Through it I hope to push compassion to the front of national debate.
