ARTRAGE 2017 COLLECTION

ArtRage is an annual initiative of the Queen Victoria Museum and Art Gallery in conjunction with the college art teachers of Tasmania. This exhibition showcases the work of young artists from across the State in years 11 and 12 who are studying Art Production or Art Studio Practice as part of their Tasmanian Certificate of Education.

These artworks have been selected by the curator from works shortlisted by the art teachers of the various colleges. The works exhibited reflect the originality of the individual students and the creativity that is encouraged by these schools. *ArtRage* also highlights the range of media and techniques these students use when telling us about the themes that have inspired them throughout the year.

ArtRage continues to provide a wonderful opportunity for visitors to view the diverse and thought-provoking artworks by these talented and highly creative young artists.

The Queen Victoria Museum and Art Gallery is proud to tour *ArtRage* across Tasmania, giving a wide audience the chance to engage with these dynamic works.
