INTRODUCTION

Edward Henry Hart, born 7 January 1867 (1) commenced business as E H Hart & Co., commission agents, collectors of accounts, debts and rents, house, land, estate agents and valuers, and insurance company agents, on 1 March 1913 at Sussex Chambers, 60 Cameron Street, Launceston. He had previously been a partner with Alfred Field, trading as Field & Hart, property vendors, estate agents, rent collectors and sharebrokers, at the same address. (2)

Oscar Ralph Hart, son of Edward Henry and Mary Elizabeth (nee Whitelaw) Hart, was born on 22 November 1895. (3) He served in the A.I.F. during the First World War and was a Gallipoli veteran. The only surviving son, he joined his father in the firm, commencing practice as a valuer about 1920. At the time of his father's death on 3 June 1936 he was a partner in the firm. (4) He carried on the business, one of Launceston's largest rent collectors, until he retired at the end of 1967. Some of the records demonstrate the impact of the Second World War on real estate. From c1958 Mr Hart appears to have worked from his home, 117 Elphin Road. In 1968 he was elected an honorary life member of the Real Estate Institute of Tasmania in recognition of many years of practical service to the real estate profession.

Oscar Ralph Hart married Ivy Helen Shaw on 9 November 1921 at St John's Church (5): they had two daughters. Mrs Hart's papers reflect her involvement in community organisations, particularly public hospital auxiliaries. She died on 13 November 1973, aged eighty. (6) Mr Hart died on 13 May 1980, at the age of eighty-four. (7)

The collection was donated to the Queen Victoria Museum and Art Gallery in February 2001.
