## ARTRAGE 2019 COLLECTION

*ArtRage* is an annual initiative of the Queen Victoria Museum and Art Gallery. This exhibition showcases the work of young artists from across Tasmania in years 11 and 12 who are studying Art Production or Art Studio Practice as part of their Tasmanian Certificate of Education.

These artworks have been selected by the curator from works shortlisted by the art teachers of the various colleges. The works exhibited reflect the originality of the individual students and the creativity that is encouraged by these schools. *ArtRage* also highlights the range of media and techniques students use when telling us about the themes that have inspired them throughout the year.

*ArtRage* continues to provide a wonderful opportunity for visitors to view the diverse and thought-provoking artworks by these talented and highly creative young artists.

The Queen Victoria Museum and Art Gallery is proud to tour *ArtRage* across Tasmania, giving a wider audience the chance to engage with these dynamic works.

## ACKNOWLEDGEMENTS

The Queen Victoria Museum and Art Gallery would like to recognise the enormous support and co-operation that *ArtRage* receives from the college art teachers of Tasmania. We would like to acknowledge the work of these dedicated art educators along with the talented students attending schools and colleges across Tasmania.
