

FRANKENTOYS

Design your own Frankentoy by mixing and matching different parts of toys.

What you will need

- Soft toys, dolls or other toys you no longer treasure
- Scissors
- Sewing needle and thread if using soft toys
- Glue (Get an adult's help when using hot glue)

What to do

- Remove the heads, limbs, wheels etc. from the toys.
- Put them back together in interesting ways to form a new character or Frankentoy.
- Give your Frankentoy a name. What types of activities do they like to do?

Take it further

Create a story or puppet show with your Frankentoy as the star.
